GUESTS:

CALL TO ORDER: 7:05 pm

MOTION: Cheryl, Rob: Approve February minutes as presented. CARRIED.

TREASURER: \$31k in checking. \$99k in investments. Have received a new invoice from SCCA. Also received the refund check from NASCAR - needs to be deposited. Not sure if/when we'll see corresponding bill that the money should have been paid to. Have a couple expenses to process.

MEMBERSHIP: 256 members for this month. Have had a new member plus a few expired overall.

ACTIVITIES: No updates.

CLUB RACING: Super Tour is moving along. Supps are nearing final will just need to go through official approval. Need to confirm event officials. Will need to talk to catering for lunches and party. July Sprints is nearly ready to open registration. Waiting on COI. Expecting to have multiple other series at Sprints, hoping they bring in more drivers. Question on if A Sedan cars could fit in with other groups for a second entry – unlikely they can run with other groups but will investigate.

SOLO: Held a meeting recently. Schedule is set. All sanctions have been submitted and should have COIs now. Will need to get MSR set up. Hoping to plan an "after event" meet up after events (like hosting at Mooney's after the Arnot Mall event). Scheduled to have 2 OOR (out of region) events at Seneca Army Depot. Currently have events at Arnot Mall, CCC, and WGI.

GREEN GRAND PRIX: Thanks to Rob for rounding up some volunteers for the event. Bob to send out schedule to everyone soon. Will be starting with registration at 7:15. Should have a good assortment of EVs (F150, Rivian R1S, Kia, some Volts, and others). Current plan is to use the long course with the bus stop - could change depending on the weather. Lunch and dinner plans set, along with panel discussion.

ADJOURN: 7:45 pm

Respectfully submitted,  
Allan Kintz
