

Glen Region Members,

Well here we are in 2010 already! The new Board of Directors is in place and the Solo Board and Club Racing board are getting their members ready to go. The National Convention was great this year (and I did not get sick while there this time!). I was proud to represent you at the convention. The REs meetings with the National Board of Directors brought forth a lot of issues regarding the state of National Racing. A change to the point's qualifications to attend the RunOffs was a hot topic of discussion.

Here in NeDiv national racing is hot topic as well. Dave Granberg of the DC Region is to be commended for acquiring a meeting room and getting all of the REs from NeDiv together to open a dialogue on the national racing issues in NeDiv. The 2010 season as well as the 2011 and future seasons were discussed in preparation of the March RoundTable in New Jersey. Hopefully a reasonable agreement can come forth from all of the REs in the NeDiv that will have a number of Double Nationals and yet still be financially viable to the rest of the regions hosting single nationals.

In other news, on February 5th the Glen Region Awards Part-II was held at the IMRRC. Almost 40 people attended the event and it was great to see everyone. My mother, Mary Ann Zebrowski, was able to attend with the assistance of my sister Donna Sue Kerrick. That made the first time that all four of us (Mary Ann, Cheryl, Dallas, and me) were able to be together for an outing since the accident on our way to the Awards Banquet part-1! Thanks to everyone for making my mom feel so welcome. Congrats to all of the award winners.

Soon it will be racing season and we will all be happily exhausted. As usual, please feel free to drop me an email or call with anything you want to talk about.

In The Spirit Of The Sport,
