Glen Region, Sports Car Club of America

Glen Region, Sports Car Club of America Hoosier Tire SCCA Super Tour Races

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on June 22nd through the 24th of 2018. The weekend consisted of seven (7) race groups. Group 2 was scheduled to run separate FA/FB/P1 and FC/FE/FM/P2 races on Sunday, but that did not occur. The Super Tour races used a sanction number of 18-ST-5484-S.

On Friday, the race groups had a morning practice of 20 minutes. The practice results created a grid for the afternoon 20 minute qualifying sessions on Friday. On Saturday, the schedule was changed to pre-empt some expected rainy weather. In the morning, the qualifying sessions were shortened to 10 minutes. The morning did have wet conditions, but the rest of the day the track was dry. After qualifying for all groups, there was a 25 minute race that was based on a merge of the two qualifying sessions. Group 1 and 2 raced before lunch. Group 7 had an early checker for an on-track clean-up. On Sunday, each group had a 14 lap or 35 minute race. The race grid was based upon a merge of the best time in either qualifying session or Saturday race. Groups 1, 2 and 3 ran before lunch. The tire strategy was critical on Sunday; the weather was very difficult to forecast what would come next. Group 4 was checkered early due to torrential rain that came after the race started. The lead lap cars ran only 4 laps, but the checker was shown after 18 minutes. Group 7 was shown an early checker due to an on track incident, and heavy rains came within minutes of the checker being shown. All other race groups ran to their 14 lap total.

The timing and scoring group was staffed with 11 all weekend. The whole crew did an awesome job!
