Glen Region, Sports Car Club of America May-ish Sprints Races

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on May 31st and June 1st of 2025. The weekend consisted of five (5) race groups in the club race and one race group in the "Bonus" Majors. The club races used a sanction number of 25-R-64027, and the Majors were under 25-M-64077.

Before the event, group 6 was rolled into group 3 due to low car count. On Saturday morning, each race group had a 15 minute qualifying session. The Majors group were the first group on course. Following qualifying, each club race group had a 25 minute race. Group 1 and 2 ran before lunch. Group 1 had their race ended early. After lunch, the remaining groups had their race, and the Majors group was the last race of the day. The weather was cold, windy, and most of the day was either a light sprinkle or mist in the air.

Sunday morning started with the Majors group having a 20 minute qualifying. Following was a 15 minute qualifying session for each club race group. Each of the race groups had their Sunday race grid based only on the Sunday qualifying session. The Majors group ran their race before lunch. There was an approved RFA to shorten the race to 30 minutes. All of the club race groups had a 25 minute race after lunch. Groups 2 and 5 had their race length shortened. The weather was better on Sunday, but it was still unseasonably cool. A light rain did return around when Group 5 took the track for their race.

The timing and scoring group was staffed with 5 on Saturday and Sunday. It was a small team, but the ship ran well. Thank you to all involved for a good weekend.
