

Greetings, NEDiv Spouses and Significant Others!

While your “active SCCA member” is absorbing new rules and regulations, learning about F&C or T&S, what are *you* going to do? Sure, you *could* visit and catch up with others in the same boat – or car! You *could* rest, read and hang out at the pool – or bar.

Or, you can find out what Ithaca, New York has to offer.

The “**Wings and Wine**” tour will be held Saturday, March 15 mid-morning (anticipated departure 10:15 am) to mid-afternoon. It will include a visit to Cornell Ornithology Lab – a new facility dedicated to documenting all things birds-like (sighting areas, songs, photos, pictures, documentation and more), a tasting of local wines, lunch and some shopping time on the famous Ithaca Commons. Transportation will be provided. You’ll be back in time for cocktails.

The cost of this activity will be **\$15.00 per person, including lunch and transportation**. The bus will depart from and return to the front door of the host hotel – the Ramada Inn of Ithaca.

Pre-registrations will be appreciated, but on-site registrations will be available, providing that space is available. The tour is limited to 17. First come, first served.

Come and see why Ithaca is Gorges!!

To pre-register, please email: alfagrill56@yahoo.com. Please put SCCA in the subject line, and provide name and number attending. You may change your mind later, but this will help planning. Thanks!
