

# *The July Sprints*

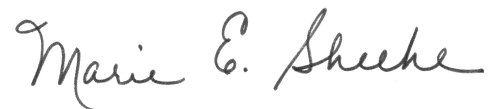

Attached are the results of the July Sprints, presented by the Glen Region SCCA, Inc. This event was held on the 3.4 mile Watkins Glen International road course July 24-25, 2010 in Watkins Glen, NY. These regional races were run under sanction number 10-R-1167-S.

There were 259 cars on course divided into nine groups, the 9<sup>th</sup> group being the Pro IT Series. For the first eight groups the grids for Saturday afternoon's 7 lap qualifying races were determined by the best time run in a 15 minute qualifying session Saturday morning. The results of these races determined the grids for Sunday's 12 lap races. Qualifying for the Pro IT series consisted of a 25 minute session Saturday morning, setting the grid for their 45 minute race run Sunday morning. Temperatures were in the high 80's and low 90's on Saturday with high humidity under sunny skies, and all sessions were run on a dry track. Sunday's temperatures were in the mid-70's, with heavy rain and a wet track in the morning, then partly sunny skies and a dry track in the afternoon.

The AMB transponder system was used with 7 workers in Timing & Scoring representing the Glen, Central NY, and Finger Lakes SCCA regions. Senior members were: Marie Sheehe, Results; Carl Dresie, Timing Captain; and Cheryl Boynton, T&S Information Center.

Three lap records were set as follows:

7/24/10	Nick Levrone	ITR	2:13.408	91.749
7/24/10	Jeff Hawkins	SPO	1:55.447	106.023
7/25/10	Jeff Hawkins	SPO	1:51.985	109.300

Marie E. Sheehe,  
Chief of Timing & Scoring
