**CANCELLATION OF EVENT:** If reasons beyond the control of the organizer force a cancellation, notice and a refund will be given to all accepted entries.

**NUMBER ASSIGNMENTS:** Competition numbers of one or two digits will be assigned upon acceptance of an entry. The Registrar reserves the right to assign numbers to avoid duplication within a race group. The Registrar will NOT issue car numbers until a valid application is received. Each garage space is allotted a space in the compound for one support vehicle and one trailer directly opposite the rented space. **NO PARKING, PADDOCKING, OR CAMPING WITHIN THE FENCED GARAGE AREA UNLESS YOU HAVE RESERVED A GARAGE.** Anyone parking within the fence without a garage pass (except for officials) will be towed. NO EXCEPTIONS. There will be no parking along Wedgewood Rd.
2. ATVs and motorized carts are allowed only in the pits, paddock, and garage areas and must be operated only by persons 18 years of age or older. Vehicles found being operated in unauthorized areas or by underage personnel will be subject to seizure by WGI security and will be held until the offending party is ready to depart. **ABSOLUTELY NO PASSENGERS ALLOWED ON ATV's.**
3. Pets in the paddock area must be leashed and secured at all times. Pet owners are fully responsible for their pets' actions. Specifically: injuries due to pets are the liability of the pet owner, not the insurance company.
4. Absolutely NO fueling, smoking or running engines in the garage. Per WGI, traffic around the garages should be in a counterclockwise direction.
5. Quiet time will be in effect between 8:00 pm and 7:00 am. Please, no loud music or unmuffled engines.

3. Race and qualifying sessions will begin as soon as a clear course is reported. It is the responsibility of the driver to be present on the False Grid for his/her race prior to the end of the preceding session.
4. **Latecomers to the False Grid will enter the race circuit by way of Easy Gate, the gate south of pit #41, and to the right down pit lane.** Drivers should check with Black Flag information at pit #41 for instructions. The only exits from the race circuit are through pit #1 and Easy Gate. The pit marshals will guide you.
5. Drivers are reminded that cars leaving the track/pit area for the paddock during a race or qualifying session must have the stewards' approval prior to reentering the course. This permission will be controlled by the Black Flag Stewards.
6. Split starts may be used at the discretion of the Chief Steward who will consider requests by the competitors in the group. Start Judges may be used.

## LAST CHANCE ENDURO

1. The race length shall be the distance covered by the overall winning car in the four hours beginning at approximately 1:00 pm and ending when the overall lead car crosses the finish line after four hours. Qualifying positions will be determined by the fastest lap set by the team during the 45 minute qualifying session on Saturday (11:00-11:45 AM). While every effort will be made to run the full four hours, the race may be shortened at the discretion of the Chief Steward.
2. Each team includes one car, a minimum of two / maximum of three drivers, and the crew members listed on the entry forms of those drivers. A driver may belong to only one team. Entries are limited to 62 cars on a first come first served basis by postmark of valid entries
3. Each driver must attend the scheduled mandatory drivers' meeting (attendance will be taken), and each driver must participate in part of the qualifying session. No driver may drive for more than two consecutive hours at a time.
4. Each car must complete two mandatory 5-minute pit stops, occurring on different laps, each commencing when the vehicle comes to a complete stop in its assigned pit space. These pit stops must be completed after the first 15 minutes and before the last 15 minutes of the race. The vehicle may not leave the pit stall until a full 5 minutes has expired. Additional pit stops may be made, but pit time is not accrued (i.e. two or more short pit stops will not satisfy the 5 minute requirement). If the race is shortened before the last 15 minutes, any vehicle that has not completed both mandatory pit stops will be assessed a 10 minute penalty for each incomplete pit stop.
5. Refueling is permitted. The driver must exit the car, the engine must be turned off, and the car must have all tires on the ground before the fuel cap may be removed from the tank or cell. The driver may not re-enter the vehicle until the fuel cap is replaced and secured. The refueling team will consist of two (2) persons wearing SFI approved fire suits, gloves, helmets with closed face shields or balaclava and goggles. All refueling equipment shall be subject to the approval of the Chief Steward. No overhead fuel rigs will be allowed. One person will refuel the car. The second will stand by the refueler with a minimum 10-lb. fire extinguisher. No other work may be performed on the car being fueled until fueling is complete and the cap is replaced and secured.
6. Jack stands (minimum 2) must be used any time a crewmember is underneath the vehicle. Enduro Pit Marshals may require that substantial repairs be performed in the paddock. Repaired vehicles may return to competition via pit lane once repairs are completed with approval of the Chief Steward. Enduro Pit Marshals will be monitoring pit stops, and may require additional safety measures. Competitors must comply with all requests from the Enduro Pit Marshals.
7. The official clock will stop under a red flag condition. All work on cars already in the pits will be suspended. Timing of the mandatory pit stop shall resume when the red flag is dropped.
8. Pits are available on a first come/first served basis. Tom Weaver (Garage 2) will assign pits. Set up AFTER 10:30 AM.
