July Sprints NYSRRC/ NARRC Restricted Regional & Pro-IT Race

The event was held at Watkins Glen International on the 3.40 mile "long" course. The event occurred July 23rd and 24th of 2011. The event consisted of eight (8) regional race groups and a Pro-IT race. The results of the Pro-It race are included at the end of this document. The regional race was run under the sanction number of 11-R-1620-S. The Pro-IT race was run under the sanction number of 11-R-1621-S.

The schedule was set so that each regional race group had a Saturday morning qualifying session. The qualifying sessions set the grid for the afternoon qualifying races. The Pro-IT drivers then took the track for a 30 minute qualifying session. This session set the starting grid for the race Sunday morning. After that, each regional race group had a seven-lap qualifying race on Saturday afternoon. The finish order of the qualifying races set the grid for the 12-lap contingency races on Sunday. The Pro-IT drivers took the track for a 45 minute race and were followed by the 12-lap regional race groups. All groups ran on a dry track with hot and sunny conditions.

All races according to the schedule. In general, the races ran very smoothly with few on-course incidents or breakdowns. Great job to all the racers!

The timing and scoring group was staffed by Mike Brunner, John & Denise Croasdaile, Carl Driese, Nancy Holcomb, Linda Louie, Marie Sheehe and myself for both days (for a total of 8). We had Greg and Ruth Clark join us on Sunday, for a total of 10 workers. It was an honor to work with each and every person, and everyone should be proud of the job they did.
