Glen Region, Sports Car Club of America

## **Glen Region, Sports Car Club of America**

### **Last Chance Drivers' School, Restricted Regional, Pro-IT & Enduro Race**

The event was held at Watkins Glen International on the 3.40 mile "long" course, except the Drivers' School which was held on the 2.45 mile "short" course. The event occurred October 7<sup>th</sup>, 8<sup>th</sup>, and 9<sup>th</sup> of 2011. The event consisted of two (2) groups for the school, six (6) regional race groups, a Pro-IT race, and a four hour enduro race. The results of the Regional, Pro-It, and Enduro races are included in this document. The school was run under the sanction number 11-DS-1747-S. The regional race was run under the sanction number of 11-R-1748-S. The enduro race was run under the sanction number of 11-E-1749-S.

The schedule was set so that the drivers' school had the track all day on Friday. Each regional race group had a Saturday morning qualifying session. The qualifying sessions set the grid for the races later in the day. Two of the regional race groups completed their 25 minute plus one lap races before lunch. The Pro-IT drivers took the track for a 20 minute qualifying session. This session set the starting grid for the race Sunday morning. After that, the remaining regional race groups had their races on Saturday afternoon. The Pro-IT drivers took the track for a 55 minute race on Sunday morning. The enduro drivers had qualifying for 45 minutes after the Pro-IT race. The four hour enduro started a few minutes after noon. All groups ran on a dry track with hot and sunny conditions. All races according to the schedule.

The timing and scoring group was staffed was well staffed with 9 workers on Saturday and 8 on Sunday. Without these volunteers, the event would not run. Congratulations to all for a job well done!
