Glen Region, Sports Car Club of America July Sprints SCCA Regional Race

The event was held at Watkins Glen International. All of the races were held on the “long” 3.40 mile course. The event occurred on July 20th and 21st of 2013. The races consisted of eight (8) regional race groups and a Pro IT group. The regional sanction had two races, with the last race being the contingency race. Pro IT had only one race, and it was the contingency race. The regional races used a sanction number of 13-R-2581-S. The Pro IT race used a sanction number of 13-OGR-2840-S.

On Saturday, the 8 race groups had a morning qualifying of 15 minutes. After the regional qualifying, the Pro IT group had a 30 minute qualifying. After qualifying, each group had a 7 lap qualifying race. The first race was run before lunch. After lunch, groups 2 through 8 ran their races. Group 2 was shown the checkered flag on lap 6 for track clean-up. On Sunday, Pro IT started the day with a 45 minute race. Afterwards, all regional race groups ran their 12 lap contingency races. Groups 1 through 4 ran before lunch. Group 1 was shown the checkered flag on lap 11. Group 8 also ran only 9 laps, as there was oil dropped on the front straight that required extensive cleaning. All other races ran according to schedule.

The timing and scoring group was well staffed, which made the weekend run very smoothly. There were 8 on Saturday and 10 on Sunday. Without these volunteers, the event would not be possible. Congratulations to all for a job well done!
