## **Glen Region, Sports Car Club of America July Sprints Regional Races**

The event was held at Watkins Glen International. The races were held on the “long” 3.40 mile course. The event occurred on July 19th and 20th of 2014. The event consisted of eight (8) race groups and a ProIT race group. The regional groups had a race on Saturday and on Sunday; the race on Sunday was the contingency race. The regional races used a sanction of 14-R-3135-S. The ProIT group only had one race, and it was run under the sanction of 14-OGR-3136-S.

On Saturday, each race group had a 15 minute qualifying session. Group 2 had a shortened session to clean the track. After the eight race groups, ProIT had a 30 minute qualifying. After lunch, each of the regional race groups had a seven lap qualifying race with the grid set from the morning qualifying session. There were two hardship sessions Sunday morning. ProIT started their 45 minute race afterward, and then each of the regional groups held a 12 lap race. For the regional races on Sunday, the finishing position in the Saturday race was used to set the grid. All race sessions, except the ProIT, ran to the scheduled length.

The timing and scoring group was staffed with a great crew. Each performed a wonderful job, and the races would not have happened without them. There were 9 on Saturday and 9 on Sunday. Until next time, see you at the races!
