Glen Region, Sports Car Club of America Last Chance SCCA Regional Race

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on October 7th through the 9th of 2016. The regional races consisted of two (2) race groups. The original supps had called for 6 race groups, but the groups and schedule were changed due to a low car count. The contingency races for the regional were on Saturday, the 8th. The bracket enduro had only one race, which was considered the contingency race. The regional races used a sanction number of 16-R-4237-S. The bracket enduro race used a sanction number of 16-BE-4671-S.

On Friday, the two race groups each had two qualifying sessions of 20 minutes. The two qualifying sessions were merged to create a race grid for Friday. Group 1 had their race in the morning, and Group 2 had their race in the afternoon. The Friday races were 20 minutes in length. On Saturday, the two race groups had two morning qualifying sessions each that were 25 minutes in length. The afternoon race was based on a merge of only the Saturday qualifying times. These races were both scheduled to be 25 minutes in length but were checkered early around the 20 minute mark. On Sunday morning, the bracket enduro had a 40 minute test and tune session. The results of the test and tune session set the grid for the enduro race. The enduro was scheduled to run 200 minutes but received an early checker around the three hour (180 minute) mark.

The timing and scoring group was staffed with 7 all weekend. The team did a great job to produce results quickly due to the interesting changes in the schedule. With the cold weather approaching, it is time to put the racecars in the garage for the winter. See you in 2017!
