Glen Region, Sports Car Club of America July Sprints Regional Races

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on July 6th and 7th of 2019. The weekend consisted of seven (7) race groups. The races used a sanction number of 19-R-6164.

On Saturday morning, each race group had a 20 minute qualifying session. After a lunch break, each group was supposed to have a 20 minute qualifying race that afternoon that was based on the morning qualifying results. However, a thunderstorm rolled in after group 2, and that caused group 3 to be delayed by about hour. The schedule was adjusted on the fly, and group 3 and 4 ran in rainy conditions after the lightning had passed. Both races were ended early, though after half distance. The qualifying races for group 5, 6, and 7 were moved to Sunday morning but still based off Saturday morning's qualifying. There was then a warm-up practice for closed wheel and open wheel cars. After the warm-up, there was a 25 minute contingency race. The race grid was based upon a merge of the best time in the qualifying session or qualifying race. Group 1 ran their race before lunch. Group 3 and 4 were checkered early. All other groups ran to the correct 25 minute length.

The timing and scoring group was staffed with 4 all weekend. While the worker count could have been better, the whole crew did an awesome job!
