21-ST-20484

Glen Region, Sports Car Club of America

## **Glen Region, Sports Car Club of America Hoosier Super Tour Races**

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on June 18th to the 20th of 2021. The weekend consisted of seven (7) race groups. The races used a sanction number of 21-ST-20484.

On Friday morning, each race group had a 20 minute practice session. This session set the grid for Friday afternoon's 25 minute qualifying session for each race group. Group 1, 3, 4, and 7 all had their sessions ended early under a black flag all. On Saturday morning, each race group had a 20 minute qualifying session. The combined qualifying sessions set the race grids. Group 5 drivers were not able to set competitive times because they had two black flag alls in their second qualifying. Group 1 ran their 25 minute timed race before lunch. After a lunch break, the following race groups had their 25 minute races as well. Rain rolled in late in the day, and group 7 had an early checker as a result. Sunday morning started with time for out and in hardship laps. Afterwards, there was a 35 minute or 14 lap distance race for each race group, whichever came first. The race grid was based upon a merge of the best time from the qualifying sessions and race one. Group 6 had a major accident on the opening lap and a red flag to stop the clock for track clean-up. After the race was restarted, it was run as a timed race. All other groups ran the 14 lap distance.

The timing and scoring group was staffed with 5 on Friday and 7 on Saturday and Sunday. The whole crew did an awesome job!
