## **Glen Region, Sports Car Club of America July Sprints Races**

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on July 3rd and 4th of 2021. The weekend consisted of seven (7) race groups. The races used a sanction number of 21-R-20485 for group one through six, and group 7 used sanction number 21-VINT-56338.

On Saturday morning, each race group had a 20 minute qualifying session. Saturday morning had intervals of heavy rain which slowed proceedings for track clean-up. After a lunch break, each group had a 20 minute race. The region was sensitive to overtime with the track, so many of the races were cut short by a couple minutes. Each race ran more than ten minutes (half-distance). Sunday morning started with another qualifying session, which each group getting 15 minutes to post a time. Afterwards, there was a 25 minute race for each race group. The race grid was based upon a merge of the best time from the qualifying sessions and race one. Group 1 completed their race before lunch. Group 5, 6, and 7 had their races abbreviated by a couple minutes, again with an eye toward track rental fees.

The timing and scoring group was staffed with 5 on Saturday and Sunday. The whole crew did an awesome job!
