

The Glen Region of the Sports Car Club of America is once again in the driver's seat and will host the 61st Glen Nationals (tentatively renamed The Cameron Argetsinger Glen Nationals) on July 11-13, 2008, at the Watkins Glen International race course. Traditionally, the event has been attended by 1500 competitors, family, and crew members from across the country, in addition to 1500 spectators.

Some of the Glen Nationals' eight named races date back to 1948 and provide a very proud history of SCCA racing. Car classifications within race groups may change, but the named races remain intact to remind us of our rich heritage.

The Glen Region would like to offer Prime Race sponsorship of one of the Nationals' eight races. Enclosed are the eight named races as run in the Glen Nationals every year.

A Prime Sponsorship will include:

- Exclusive sponsorship of a race group
- Banner (provided by the sponsor) to be displayed in the garage, pit, or paddock area (If a banner is not allowed due to WGI sponsor conflict, the Prime Sponsor will be afforded the opportunity of naming an honorary race starter.)
- Presentation of the checkered flag to the race winner
- Minimum of four guest passes to the Glen Nationals
- Literature distribution to race entrants and workers at race registration
- Literature distribution to spectators
- Inclusion in the event program

Prime Sponsorship is being offered to preferred companies for \$2,000. If you have any questions regarding this sponsorship opportunity, please feel free to contact me immediately as we will be sending the Glen Nationals program to the printers by May 20.

Other sponsorships include Glen Nationals Supporters for the worker reception on Saturday evening at \$500 or \$1000. We need multiple GN Supporters for the reception, therefore each GN Supporter will be guaranteed that competing businesses will not be accepted for GN Supporter level sponsorship.

We also need Supporters at the following advertising levels:

A Supporter will receive:

- Literature/product distribution to race entrants and workers at race registration
- Literature/product distribution to spectators
- Inclusion in the event program to the level of the Supporter's choosing
