MOTION: Kyle, Cheryl: Approve June minutes as presented. CARRIED.

MEMBERSHIP: 268 members – with 1 new.

ACTIVITIES: No updates.

WEBSITE: No issues noted. Have published results on website.

SOLO: Most recent event was this past Saturday at Chemung Speedrome with 27 entries. Had good attendance and support from Southern NY. The track has also been very helpful and supportive. Course was challenging but interesting. Event was profitable and so far planning to put excess revenue towards second timing display setup. Next Glen event will be CCC in September. SNYR tentatively set for Aug 3 at Chemung Speedrome as well – but waiting to confirm. FLR event this weekend at Seneca Army Depot will be out of region event for points.

JULY SPRINTS: Current data shows a loss of \$2100. Just received bill for damages – which includes \$1600 in guard rail damages. But one instance of damage was from Friday test day – so trying to straighten that out.

GRAND PRIX FESTIVAL: Have received some material from Casey regarding getting race cars at the GPF. Recommended for people to contact Casey.

DRIVER DEATH: Driver lost his life at a recent club race. Suspected medical incident caused him to crash. National office had released a statement.

NOMINATING COMMITTEE: Need to form by 8/18. Board members to contact possible members to confirm support. Will then also be looking to fill 3 director seats.

DISCUSSION: Potential upcoming flagging requirements and taking the online course from the SCCA.

ADJOURN: 7:45 pm
