Glen Region, Sports Car Club of America

## **Glen Region, Sports Car Club of America May Sprints Races**

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on May 30<sup>th</sup> and 31<sup>st</sup> of 2026. The weekend consisted of five (5) race groups. The races used a sanction number of 26-R-66126. This event was run in conjunction with a time trial event, sanction 26-TTRG-66174, and that results book is aggregated separately.

Before the event, group 2 was dissolved because the competitors that had entered cancelled their entries. On Saturday morning, each race group had a 15 minute qualifying session. Following qualifying, each race group had a 25 minute race. Group 1 and 3 ran before lunch. After lunch, the remaining groups had their races. Group 4 had a red flag incident that required the race to end early. Group 5 and 6 had their races shortened due to the lengthy delay. The weather was cold and windy, but the clouds started to thin at the end of the day.

The first race group session on Sunday morning was group 6 having a 15 minute qualifying. This qualifying set the grid for the group 6 race later in the day. Groups 1-5 had their Sunday race grid based on the fastest lap in Saturday's qualifying race. Group 1,3, and 4 ran before lunch. Group 6 ran after lunch, and group 5 was the final race of the weekend. The race length for all groups was 30 minutes. Group 5 was called to end slightly early. The weather was better on Sunday, with very few clouds, somewhat less wind, and warmer temperatures.

The timing and scoring group was staffed with 4 on Saturday and 5 on Sunday. It was a small team, but the ship ran well. Thank you to all involved for a good weekend.
